## Looking for increased revenue or distribution for your Windows Application?

Increase revenue or distribution for your Windows application by joining W3i's Application Network. W3i's Application Network uses the demand for free/trial applications to promote additional value-added applications during the installation process when the user is in the installation mindset. W3i's Application Network utilizes InstallIQ™, a proprietary Windows installation manager. InstallIQ is the first installation manager to be certified by the TRUSTe Trusted Download Program.
